

GRANT WRITING WORKSHOP

This interactive 3-hour in-depth Grant Writing Workshop is designed to save your organization the cost of hiring a grant writer by empowering you with the knowledge and tools to do it yourself. Leave with a fully written grant proposal ready to start seeking funding!

Workshop Highlights:

- **Expert Guidance:** Learn from a Certified Non-Profit Consultant (CNC), Certified Development Executive (CDE), Certified Non-Profit Executive (CNE), and dual-certified Lean Six Sigma Green and Black Belt
- **Strategic Approaches:** Gain advanced techniques for identifying and securing both non-profit and for-profit grants.
- **Understanding Funders:** Decode what funders really want and how to align your proposals to meet their criteria.
- **Technology Integration:** Explore how to incorporate Artificial Intelligence to streamline your grant writing process.
- **Practical Application:** Participate in a hands-on session where you will create a grant proposal using AI tools that you can immediately integrate into your development strategy.

\$225/PERSON
